Dear George

We would like to express our gratitude to you and your staff for the friendly and courteous manner in which the installation of our new CCTV system was dealt with.

As a place of worship, we would like to place on record our appreciation for the respect and reverence that David showed whilst he was working in and outside of the building, and the clean and tidy way he carried out the installation.

Your guidance given to us for the most suitable system for our Church has proven itself as we are very satisfied and pleased with its performance.

Many thanks to you all

Yours sincerely
