13th February 2013

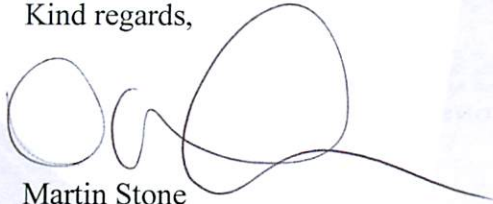

Dear Martin,

I would firstly like to apologise for the delay in sending my thanks to you and your team following the installation of a burglar alarm.

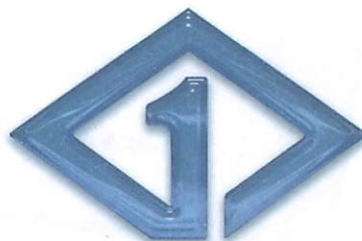

From the moment you discussed my requirements on the telephone through to the installation you and your company acted in a professional manner. I was extremely impressed with your knowledge and the care shown by your installation team.

Many thanks for the exceptional service, I have and will continue to recommend you.

Kind regards,

Martin Stone
